MEMBERS UPDATE 016/10/2011-2013

Dear Valued Members,

SUPPLY OF FOREIGN DOMESTIC WORKERS FROM INDONESIA

Recent media reports have quoted an Indonesian official that the Indonesian government is set to allow its citizens to work as foreign domestic workers (FDWs) in only four countries: Saudia Arabia, Malaysia, Taiwan and Hong Kong. **The four destinations are not final, as quoted later by the Indonesian official.**

We are seeking clarification from officials of the Indonesian Embassy in Singapore and will also be addressing the issue with the Ministry of Manpower.

We would like to reassure members of AEA(S) that we are attending to the matter and will update members in due course.

Yours Faithfully

K Jayaprema
President, AEA(S)
